

For just one day

^DChild awa^Akens ^Gfilled with ^Aelation, anticipating something new
Something so special wrapped in a ribbon, underneath the Christmas tree
Small gifts are given, without expectation, today is the day when dreams
come true
Families gather, in celebration, time to remember and renew

Refrén:

^{G2}For just one day, the dark clouds will ^Aroll away and we'll remember what it
is to be a child again
For just one day, our differences will be put aside, 'cause we remember what
means that he came into our lives
For just one day.....

Gracing the tree, there is an angel, proclaiming good news of his birth
No miracle, is necessary, its just time enough to be with you
No pre-conditions, but a few old traditions and lights of golden, greens and

And we'll remember what it is to be a child again
For just one day, our differences will be put aside
